

# Banner Frame

## HOW CAN YOU USE YOUR BANNER FRAME?

- \*The banner frame/frames can be used as portable signage at your event.
- \*If you have a cow train and you are putting it in a parade, the banner frame/frames couple right into your cow train.
- \*You can couple the banner frame/frames at the beginning, middle, and end of your cow train.
- \*You can also keep the banner frame attached to the end of your cow train while at your event.

## FEATURES OF THE BANNER FRAME:

- \*Couples into your cow train.
- \*Can be used as portable advertising at your event.
- \*Seamed welded frame.
- \*Primed and painted.
- \*Ball bearing wheels.
- \*Detachable banner frame from chassis frame.
- \*3ft x 5ft banner area.

## CAUTION:

- \*\*Before operating your cow train at your event, you will need to uncouple any banner frames that are at the beginning or in the middle of your cow train.
