

# THIS WILL BE THE LAST WAGON YOU'LL EVER HAVE TO BUY!!!

## WANT TO BUY A WAGON YOUR CUSTOMERS CAN'T TEAR UP!!

There are two options available when purchasing the wagons. You can purchase the wagons (frames and barrels) painted, or you can purchase the wagons (frames and barrels) unpainted. These wagons are heavy duty and can stand up to the punishment your customers will dish out. They are very user friendly. This will be the last wagon you will ever have to buy.

## VENUES WHERE THESE WAGONS CAN BE USED!!

- CORN MAZES
- PUMPKIN PATCHES
- APPLE ORCHARDS
- PICK YOUR OWN FRUIT AND VEGETABLE FARMS

ANY BUSINESS WHERE THE CUSTOMER WILL NEED TO TOTE PRODUCT, KIDS, OR PERSONAL BELONGINGS

## WAGON FEATURES:

- \*Ball bearing wheels.
- \*4-ply 13.5" tall wheels (the bigger the wheels are, the easier it is to pull).
- \*1,050 lb. weight capacity.
- \*Gooseneck single steering wheel (enables the wagon to turn in its own tracks)
- \*32" wide wheel base (has a wide enough wheel base which makes it impossible to turn over UNLIKE other brands of wagons).
- \*Made from ½ of a 30 gallon drum.
- \*Has more than 100 sealed welds on frame which is made from 14 gauge square tubing.
- \*Bumper guard on the top of each wagon barrel. Protects the customer from injury.
